Materia is one of the most recognizable and valued young music formations on the Poland's metal and progressive rock scene. The band plays modern metal, marked by emotions, sense of inevitability and decadence. Materia emerged in 2012 with their debut album „Case Of Noise”

Materia (PL)

Materia was formed in November, 2007 by two brothers Micha “Mihu” and Tadeusz “Tede” Piesak and their good friend Jakub “Marcia” Marciniak. The band surprisingly quickly started writing its own material. Finally in the beginning of 2009 they released their first demo “Vandals”. In 2010 Adrian “Adi” Dubiski joined Materia on the second guitar. His talent opened the band for new better sound and it was another step ahead. A Year later their first official EP called “Holidays On The Angels Island” (2011) was out. Materia had officially became popular in whole Poland, which led to them play the shows all over the country, winning young band competitions and starts to play their first polish tours. After 6 years Materia gets to the breaking point of their musician path. On the begin of 2013 they finished and released first LP “Case of Noise” and gets to “Must be the music” – the most popular talent show in Poland. Finally 2nd place give them chance to promote their music in mainstream television and spread the word about band not only among metal fans. Until that time band played over 150 shows all over the country and they still have more and more offers. Currently the band is working on new material, that is about to be released in the beginning of 2014. Till this time they are determined to reach their first European Tour with Russian friends from Change of Loyalty! Stay tuned... history just begins.

Raze your Gods (AT)

Ursprünglich als Metalband im Jahr 2009 gegründet sind Raze Your Gods seit 2016 unter neuem Namen und als Vertreter des Groovecores mit harterem und brutalerem Sound wieder auf den Live-Bühnen unterwegs. Ihre Shows bestechen durch ausdauernde Bühnenpräsens in Begleitung eines Klangbilds vermischt aus den Genres Metalcore, Groove Metal und Trash Metal. Als wesentliche Einflüsse und durchaus vergleichbaren Sound können Parkway Drive, Heaven Shall Burn als auch partiell Lamb of God genannt werden. Brutaler, aber auch groovereicher Metalcore bestehend aus tighten Breakdowns, irrsinnigen Solos und treibenden Blasts gepaart mit berstend hohen Screams und markerschütternden tiefen Growls erwartet jeden, der bereit ist sein Ohr und sein Genick Raze Your Gods zu schenken.
