Into Coffin Black/Death/Doom Metal (GER)

Into Coffin – the unholy trio was formed in early 2015 with the intention of establishing an Extreme Death Metal Underground in the city of Marburg, Germany.

What initially began as an early 90s Doom/Death-influenced project quickly evolved into a sci-fi/horror-themed monolith with its very own abysmal Death Metal sound.

With every release getting more and more extreme, the unholy trinity known as Into Coffin is more than ever determined to spread terror and hopelessness over Europe and all over the globe.
