## **Zolle**

Zolle return with an album where the heavy parts are lovingly heavier and the melodic parts are monstrously more melodic than in the past. Imagine Crowbar, on a diet, singing the Ramones refrains at an AC/DC show with Metallica as opening act. ROSA is the Italian word for PINK but it also mean ROSE, the flower. ROSA tells, in a universal language, of different elements united by a belonging: PINK, as artwork and titles suggest.

## **Grey Czar**

Grey Czar is a four-piece band from Salzburg Austria. A rocking beast featuring guitars, bass, keys, drums and layered vocals of three distinct voices. They are known for their powerful live appearances.
