Daniel Krau from Cologne is jumping down to Salzburg! Born in a sweat lodge, raised between monks and home in the club. Mister Krau doesn't just mix music or put on records, he creates, connects and evolves himself and his sound, for almost 20 years now. As Co-Founder of Moyn Festival and Ketoga his sets turn off the ego and turn on the unity. From jumping minimal to gangster techno to psychedelic boogie. Daniel mixes genres, creates the bounce, cuts time & space... And all that x4 (decks) - No shoes and no limits. Breathe, please don't forget to breathe. Join us on our favourite dancefloor in town - support by the Crew Tanja le Chains, The Renaissance, Chris Nord, Monokyma aand Dani Orange
