Lira del Baccano

Doomdelic Instrumental Space Heavy Proggers L'IRA DEL BACCANO are back on the roads of Europe to promote a new release out on Subsound records. L'IRA DEL BACCANO melt doom & stoner rock influences such as Black Sabbath, Kyuss, Monster Magnet; the psychedelia of Pink Floyd & Hawkwind; the heavy-prog vibes of early Rush; modern bands like Motorpsycho, Elder, Monolord and the italian progressive heritage. From 2014, with 4 official albums released by Subsound Records, the italian combo has toured intensely visiting Germany, Italy, Austria, France, Czech Rep and participated in festivals as Dome Of Rock; Psychedelic Network Festival, Pietrasonica Fest. The band played in different types of venues and clubs in the last years, thanks to the broad and heterogeneous kind of listeners, who goes from metalheads to progressive rock fanatics and stoner-doom fans . Also opening for different types of bands: Church of Misery, Ozric Tentacles, Ufomammut, Zu, Nebula, Orange Goblin, Samsara Blues Experiment and more.
